

Product Overview

User Groups Investor Meetings Special Booth Invitations
Webinars **Invite your world.SM** Luncheons
Field Marketing Events Partner Training Sessions

Easily create events, invite participants, and track RSVPs — without leaving the familiar interface of salesforce.com.

Each event registration web page comes complete with a questionnaire and personalized contact information that make registration quick and effective — for you and your invitees.

The result? You execute more successful events in less time while building organizational memory to improve future events and relationships.

Know Who's Coming, and More

- Control the process from start to finish
- Maximize attendance
- Build stronger relationships
- Generate leads & place them in the pipeline
- Store event activity within each contact or lead record
- Update Salesforce campaigns

Online Event Registration Made Easy

1 CREATE

Create branded email invitations and event registration web pages. Incorporate a questionnaire, images, links and more.

2 PROMOTE

Invite leads, contacts and campaign members. Send invitations and reminders. Suggest that they "Invite-a-Friend".

3 TRACK

Automatically store event registration data, generate new leads, update campaigns, run reports and follow up.

Seamless Integration with salesforce.com

Get Started with a 10-day FREE Trial!

Did you know you could be using ActevaRSVP in just minutes? See for yourself how easy it is to get started. Open your free trial account by clicking on the red **GET IT NOW** button inside our **AppExchange Directory Listing**, sending an email to info@ActevaRSVP.com or call (866) 200-6520 today.
